# Defining a Legacy

The Bonnydale team continues to build a legacy for future generations.

Rob and Mike have applied the same principles as their parents: a legacy built on hard work, patience, dedication and an unwavering and passionate commitment to agriculture.

**Welcome to our 6th Annual Roma Bull Sale to be held on Wednesday 27th August at 11am.**

With the next generation firmly committed to the same philosophy the legacy is set to continue and grow. This commitment is equally entrenched with Jake Berghofer and Emma Patterson at Bonnydale QLD who continue to advance the Bonnydale name throughout Queensland.

So it is with great pride that we again offer an exciting line of sires that continue the tradition of providing the industry with remarkable potential. Each year we say this is the best offering we have offered and if we are doing our job so it should be. What we will add to that statement is that our 2025 offering has the most depth and evenness of any we have presented, and we believe you won't find better anywhere no matter what breed.

## Bonnydale's reputation is underpinned by the principles of the "Triangle B" brand, recognised for integrity, innovation and investment.

### These three principles guide every facet of the Bonnydale stud program

All bulls have excellent structure, temperament, coat type and the required carcass attribute all built on the breeding philosophy Bonnydale is renowned for. This has been built on a cow herd that has a consistent phenotype and is complimented by shrewd sire selection to optimise industry leading sires that will deliver for any market segment.

These sires display what sets them apart from the pack: sleek coats, thickness, structural veracity, carcass integrity and performance as a weaner, grass fed yearling or in the feedlot.

They will also pass on maternal excellence to their daughters providing the industry with the most profitable cow when crossed with any breed. Hybrid vigour and maternal hybrid vigour has been ignored by the industry for far too long. Hybrid vigour has propelled the chicken, pork and sheep industry to new heights but still the beef industry buries its head in the sand. These claims, about hybrid vigour, have been proven by science many times over but still falls on stubbornly deaf ears.

Bonnydale's investment in genetics continues with new calves on the ground by USA sires TJ Gold Rush 506K and Ruby's Quadrant 210K and homebred sires Ultimate and Ulysses. We have also secured a share in a new Triangle J Simmentals sire and continue the search for other sires. With the aid of long-time associate Willie Altenburg and our alliance with Triangle J Simmentals, we believe we have an unprecedented advantage when sourcing new genetics.

The 2025 lineup includes nine sons of Bonnydale Dividend R63, who has been a prolific sire of exceptional bulls. Eleven sons of Bonnydale Quaker the final offering from this powerful sire.

The new highly rated sire Bonnydale Total Recall features five exciting sons with powerful growth and

carcass traits including top end marbling. Bonnydale Rhino has five sons delivering powerful growth sons.

Bonnydale Tombstone has four low birthweight sons on offer for those seeking heifer bulls. And last but not least is Landfall Keystone who has seven exceptional Simangus sons that are sure to turn heads on sale day.

In 2024 Luke Bowman, Director of SimGenetic Development for the American Simmental Association visited with his father and provided us with this humbling message.

*"Thank you for the kind email, but the pleasure was all ours. Your program is magnificent. Your hard work, incredible scenery, quality genetic selection, remarkable husbandry and more, make Bonnydale one of the most impactful operations I have ever witnessed. It is a pinnacle herd in my personal and professional opinion. And my father has talked about the operation ever since".*

All bulls come with Parent Verified pedigrees, Genomic Enhanced EPD's, Immune Ready Protocols and unsurpassed after sales service and guarantee.

Inspection of bulls prior to sale day is welcome at any time: please phone Rob on 0427 644 082 or Jake on 0418 649 666.

We look forward to you joining the Bonnydale QLD team on Wednesday 27th August 2025 for a 11am sale start.

Regards  
The Bonnydale QLD Team

# EPD Information

Bonnydale has been utilising Estimated Progeny Differences (EPDs) for many years with every calf born exposed to the same diligent DNA process to provide improved genetic predictability and pedigree assurance.

EPDs are the most accurate and effective tool available for comparing genetic levels as they account for the genetic 'half' that an animal passes onto it's progeny (half from the sire, half from the dam) as opposed to an EBV which is an animals own genetic value for a particular trait.

In using EPDs, the difference between two sires' EPDs represents the unit difference expected in the performance of their progeny. For example, if sires A and B have EPDs of +10 and -5, a 15-unit difference would be expected in their progeny.

Though EPDs allow for the comparison of genetic levels for many economically important traits, they only provide a piece of the economic puzzle. Through well-conceived, rigorous mathematical computation, \$ indexes blend EPDs and economics to estimate an animal's overall impact on your bottom line.

All-Purpose Index (API): Evaluates sires for use on the entire cow herd, bred to both first-calf heifers and mature cows and assuming a self replacing herd with a portion of their daughters required to maintain herd size retained and the remaining heifers and steers put on feed and sold. Expressed as dollars per cow.

Terminal Index (TI): Evaluates sire for use on mature cows with all offspring put on feed and sold. Dollars per cow exposed under a Terminal sire scenario.

## SALE DAY SAFETY DISCLAIMER

Please be advised when entering the pens people must be aware of the potential risk involved and enter at their own risk.

Children under the age of 16 are not permitted to enter the pens on sale day. Visitors must use common sense when entering the pens and be mindful of the bulls in the pen and other visitors inspecting bulls.

While all care has been taken when selecting bulls for sale to ensure quiet temperament under normal handling circumstances they have not been accustomed to large numbers of people in their vicinity.

Bonnydale and Elders staff will be available on sale day to assist you when entering the pens or to move the bulls closer should you prefer to inspect the bulls from outside the pens.

## AGENTS REBATE

A 3% rebate will be paid to any outside agent who introduces new clients to the stud in writing to both the vendor and Elders 24 hours prior to the sale.

The agent must accompany and assist their client on sale day.

## BULL DELIVERIES

To make getting your bull home stress free and to streamline the delivery process, we offer free delivery within a 200 km radius of Roma and free freight to major selling centres outside of this radius in QLD, NSW, VIC & SA, Bulls will be delivered as close as possible to their final destination - transport from drop off is the responsibility of the purchaser.

## TAKING DELIVERY OF YOUR NEW BULL

Please ensure you have at least one animal in the receival yard when your new bull arrives. This will ensure your new purchase has company upon arrival. These bulls have been with their mates for a long time and have not been separated on their own before.

## BONNYDALE'S HERD PROTOCOLS

All bulls semen morphology tested  
All bulls ultrasound scanned by David Reid prior to sale  
All bulls tested negative for BVDV

All bulls vaccinated with 7in1, Pestiguard, Vibrovax & Longrange Botulism. All bulls are 3 day and tick fever vaccinated.

## BULL GUARANTEE

All bulls guaranteed for temperament, structural soundness and fertility for 1 year, the exception being if the problem is caused by injury or disease.

Customers are asked to contact Bonnydale as soon as an issue arises.

## INSURANCE

Elders can no longer accept any written instructions for any insurance requirements on Stud Stock animals. On the fall of the hammer, the purchaser becomes the legal owner. Please contact your own insurer direct.

## PRE-SALE DINNER

The Bonnydale team extend an invitation to those attending the Bonnydale Old Bull Sale to join us for dinner in appreciation of your support.

7pm on Tuesday 26th August 2025 (evening before the sale) at Carriages Restaurant and Steakhouse, Overlander Homestead Motel, Roma.

Please contact the Overlander Motel on 07 4622 3555 or one of the Bonnydale team to RSVP.
